Synergy: A non-impact, choreographed workout incorporating the best of Pilates, Tai Chi, dance, and yoga. The body awareness exercises in class focus on the development and enhancement of muscular strength, core stability, balance, and flexibility.

Tai Chi: Improve your balance, stimulate circulation & reduce stress with slow rhythmic movements designed to maintain the body's integrity.

Yoga Basics: Practice the fundamentals of Hatha Yoga as you focus on posture and form while enhancing relaxation and flexibility.

Yoga Bootcamp: Combine resistance training and cardio with yoga for a challenging workout! This class is great for those who enjoy the fitness aspect of yoga!
Yoga Flow takes the poses of Hatha yoga and sequences them together combining breath and movement (vinyasa) incorporating more strength and muscular endurance, as well as moments of holding postures for flexibility. You will learn to find your fitness edge while maintaining a yoga focus in this vigorous vinyasa flow class. Breath work and meditation are a part of all classes. Modifications will be shown; however we recommend you feel comfortable in Yoga Basics and/or Synergy before taking Yoga Flow.

Yoga Muscle: Combine resistance training with yoga and you get a wonderful balance of gaining strength with weight training and elongating your muscles with the postures and flow of yoga. No yoga experience is necessary; all levels are welcome for both classes.

Zumba®: Experience the latest "feel happy", Latin rhythm workout! The dance routines feature aerobic/fitness interval training with a combination of fast and slow rhythms to tone and sculpt the body. It is based on the principle that a workout should be "FUN AND EASY TO DO".

Special Notes: The Classes at 121 are designed to be safe and challenging. Please remember these guidelines:

- Learn how to monitor your training heart rate, when not using a heart rate monitor, we use perceived exertion.
- Wear comfortable attire and proper footwear.
- Give your body time to adapt to the exercise.
- Drink water before, during and after exercise to prevent dehydration and muscle cramps.
- If you arrive late or leave early, remember the importance of the warm-up, cool-down and stretch.
- **Do not enter a class if more than 10 minutes late.** It places your safety at risk and is disruptive if you come in late or leave early, please let the instructor know if you must do so.
- Please notify your instructor if you have any special concerns, i.e. pregnancy, diabetes, fasting, surgery so modifications can be explained.
- Class schedules are based strongly on attendance. Any class that falls below 7 participants 4 weeks in a row may be removed from the schedule.
- We appreciate your cooperation and are always interested in any feedback or suggestions.
